

SHHS Fight Song
"Red and White"
(Part One)

White and Red: Forge ahead in the battles we have lead
When St. Henry comes rolling along!

Pack 'em out with a shout when ten thousand throats give out
When St. Henry comes rolling along!

And it's HI, HI, HE, we're off to victory
Shout out your praises loud and strong!

RAH! RAH! (or yell graduation year!)

And it's fight! fight! Fight! with courage and with might
When St. Henry comes rolling along!

R! E! D! S! K! I! N! S! GO, SKINS, GO!

"Hail to the Redskins"

(Part Two)

Hail to the Redskins! Hail Victory!
Skins on the warpath! Fight for St. Henry!

Run or pass or score- We want a lot more!
Beat 'em, Swap 'em, Touchdown- Let the points soar!
Fight on! Fight on! Till you have won.
Fight like champions!

Hail to the Redskins! Hail Victory!
Skins on the warpath! Fight for St. Henry!
